## SUMMARY

Completed a Bachelor's degree in Computer Science and is committed to ongoing learning and exploring emerging technologies. Excels in problem-solving and thrives in collaborative team environments.

## SKILLS

### Front-end

- HTML
- CSS
- JavaScript
- React JS
- Bootstrap
- Tailwind CSS

### Back-end

- Java (Core, EE)
- Servlet
- JSP
- Hibernate
- Spring, Spring Boot
- API
- Maven

### Database

- SQL
- MySQL

### Tools & Technologies

- Git
- GitHub
- VS Code
- Eclipse

### Expertise Area

- Programming
- Development
- Responsive design
- Problem-solving
- Creativity
- Googling

## PROJECTS

### Simple Calculator

- Developed a web-based calculator using HTML, CSS, and JavaScript, enabling basic arithmetic operations and a user-friendly interface.

### User Management System

- Developed a web-based user management system using Java EE, Hibernate, JSP, HTML, CSS, Bootstrap and MySQL.
- Implemented user registration, login, profile management, and role-based access control.
- Utilized a relational database for secure user data storage and retrieval.

### Note Taking App

- Developed a web-based note-taking app using Java EE, Hibernate, JSP, HTML, CSS, Bootstrap, and MySQL.
- Implemented features like note creation, editing, deletion, and searching.
- Utilized a relational database to store and retrieve user data.

## EDUCATION

- **B.Sc. in Computer Science** [2020 – 2023]  
Nayagarh Autonomous College, Nayagarh, Odisha
- **CHSE, Odisha** [2018 – 2020]  
Rajdhani H.S. School of Science, Arts and Commerce, Bhubaneswar
- **BSE, Odisha** [2018]  
Sri Aurobindo Integral Education Centre, Matrubiha, Kalupadaghat, Khordha

## CERTIFICATION

- **Java Full-Stack Development** [1<sup>st</sup> Aug, 2023 – Ongoing]  
JSpiders, Bangalore
